CHiPA Meeting

Apr 17, 2014 at 8:30 AM

NEW Family Information Access Interface – TCH has launched a new portal for internet communication where families can log-in and update contact and attendance information. Details are available in the Compass.

CHiPA Alumni Scholarship – The Scholarship Committee shall include Renee Wade, Christina Ianitelli Klee, Jen Byland, and Genevieve Minor. Missy Russell has received one application so far. The winner will be announced on May 10th.

Gala Baskets – Please email Missy Russell with the value of your classroom basket.

Gala Silent Auction Items – Please considering requesting donations for small items from merchants that you frequent; i.e. ask your hair stylist to donate special products or a gift certificate. It's helpful to preface your request with "Has anybody from the Children's House asked you to donate to the gala?" All donors will be listed in the program.

Gala Volunteers – Many hands will make light work on the Wednesday, Thursday and Friday before the Gala. Please considering volunteering to help on those days!

Cherry Festival Float – BREAKING NEWS... This year's Prince and Princess will be Parker Francisco and Lily Mack! Room parents will be asked to send an email to classroom families asking for volunteers to help build the float. Everyone is welcome to participate and those who do will get to ride in the parades. Stay tuned for details.

Next Meeting – CHiPA will meet again on Thursday, May 15th at 3:30 PM in the parent room.
