

CHIPA Meeting Minutes - December 9th, 2015

3:00-3:50

Attendance: Julie Boss, Angie Petty, Dan Besselsen, Dhasha Campbell, Kristi McGregor, Missy Russell, Christina Ianitelli-Klee

1. All Welcomed
2. Reviewed Recent Activities:
 - **Holiday Art Market** did well this year with an increase in sales noted. Missy remarked that next year we will plan to revise how the market is set up to better improve customer flow.
 - **Horizon Book Day** was also successful with many books purchased. Next year we will look at having a co-chair and recruit more volunteers to help with set-up, clean-up and working the shifts during the event.
 - **Harvest Feast** was enjoyed by the students. It was identified that the toddler program enjoyed having the food prepared ahead of time by the families instead of being prepared the day of the event.
3. Reviewed Upcoming Events:
 - **The Moms' Holiday Party** is scheduled for December 10th. Despite ladies night being scheduled on the same night, 42 moms have sent in their RSVP for the holiday party.
 - **Teacher Appreciation Lunch** is scheduled for February 12th. Michele will plan to meet with Alicia after Christmas break to discuss the luncheon budget.
 - **School Carnival** is scheduled for February 6th. Sandra and Dan are in the planning process. Toy options were discussed and the Besselsens will look at possibilities soon.
 - **The Gala** is scheduled for May 6th. Save the date cards were sent out. The live auction will be hosted by John Cueter and Courtney Sandler. Kristi McGregor is organizing the raffle tickets again this year. An AWD Fiatt will be the raffle prize.

Respectively submitted,
