Gala News

Mike and Kelly Kazmierski are back for another great year of chairing The Children's House annual Gala. The kick off/get organized meeting will be held in the parent room on Tuesday, October 4th following morning carline. Many volunteers, committee chairs and co-chair positions make this event possible. WE NEED LOTS OF HELP. There are big jobs, small jobs and everything in between. Please get involved with whatever time you can offer and we will find a place for you! This year is shaping up to be FUN, easy and successful! Email kkaz@discoverlegacy.net for more information. We hope to see you there!

2011 Holiday Art Market

Save the date for the 2011 Holiday Art Market on November 4th and 5th. Just like last year, we will have a special preview for our families that will allow for crowd-free shopping! This will take place on Friday from 2:00 - 3:00 before the event opens to the public.

In addition, artists are needed and welcome to apply. We are looking for unique, high quality goods. If you know anyone who might be interested, the application may be found [here](#). Volunteers are also needed for this event. Let us know if you are interested in helping.

Shop Downtown and Help The Children's House:

On November 12, The Children's House is participating in two fundraising events in downtown Traverse City. **Horizon Books** is hosting an annual Children's House book fair where a portion of the day's sales will be graciously donated back to our school. In addition, it is an opportunity for families to purchase books for their children's classrooms that have been pre-selected by the teachers.

On this same day is **Shop Your Community Day**. Many downtown merchants are donating 15% of your purchases to the charity of your choice. ([SEE ATTACHED FLIER](#)) The Children's House has been selected again this year to be a participating non-profit.

Last year we raised nearly \$3,000 with these two fundraisers! So, get a jump start on your holiday shopping, stock up on gift certificates and support your children's school and local economy by heading downtown for a fun-filled day of shopping!
