As always, the Google Calendar and TCH Facebook pages are a great resource for calendar dates, articles of interest, and other related posts about school "happenings."

Message from Michele:

"Be the voice of the child. Let it reveal the secret of the human soul. (...)The child's tale is one of love and of wondrous miracles. Only through its light can the unheeded hidden treasures of the human spirit shine forth and dazzle humanity with the splendor of its own greatness."

Maria Montessori

A Wish - December 1946

Wishing you a wonderful holiday with the ones you love.

Other Notes:

Holiday Classroom Wish Lists

Each year at TCH, classroom guides compile "wish lists" of items for their classrooms. If you are interested in seeing these lists, they are available for you at the front desk and also posted on the teacher pages on our website at www.traversechildrenshouse.org/teachers.asp.

Back again this year are TCH gift certificates. You may purchase a certificate in any amount to go directly in to the guide's classroom budget as discretionary funds for use throughout the year. These certificates are available at the front desk and can be purchased for all classrooms as well as for specialists.

If you are interested in more information or would like to purchase an item, you may do so in person at the front desk or by emailing us at learn@traversechildrenshouse.org with your choice. We will highlight items from the lists as they are purchased so you have the most current information on items available. To consolidate shipping, all purchased items will be ordered during winter break.

As always, we appreciate all of the ways you give to the school and participate in TCH community!
