Ms. Anton's Fourth-Grade Class
5363 North Long Lake
Traverse City, MI 49684

Dear Ms. Anton's Fourth-Grade Class,

On behalf of the Goodwill Community Holiday Needs Program, we would like to thank you for providing the true spirit of the holiday season to children who are homeless or disadvantaged, through your selflessness.

Together through your selflessness your class generously donated an amazing \$1,250 in toys. These will bring smiles, excitement and laughter to both the children and parents this holiday season, which might not have been there without your giving hearts.

It is truly the small acts of kindness and caring hearts like yours that provide a sense of meaning, well being and hope to our neighbors in their time of need.

From Goodwill, and all of the families whose lives will be touched by your generosity, thank you! I wish you, your classmates, friends and families a wonderful holiday season.

Sincerely,

Cecil McNally
Executive Director
