

TRAILBLAZERS - HIT THE TRAILS July 17-21

I am looking forward to a great week of biking. We plan to ride over seventy miles this week. Please send a lunch, water bottle, bike and helmet and arrive with a good layer of sunscreen applied. We will provide snacks and sunscreen for mid-day application. Extra water is available along the trails. **It is important to have your child be able to easily carry their lunch and water. A small backpack or better yet a bike mounted water bottle holder and small bag like the Bell Bike Handlebar Road Stash Bag (under \$10) would be perfect. I'm not endorsing a specific brand, just the size and ease of the bag. Carrying a large or heavy backpack has been the children's biggest obstacle in the past. Ice packs and extras - books, toys - in the backpack are not great to have along.** Tony Colombo and Chris Wenger will be riding with us each day. **STEVE MAAS**
