

A Message from Jessica Sullivan, Board Chair:

The Children's House board of directors ("Board") last met on Friday, March 2, 2018.

With the recent Parkland tragedy, Michele spent the first fifteen minutes of the meeting reviewing the school's safety protocol and staff/student communication. It was a great review for the Board and a great reminder of how well The Children's House staff is trained.

The Board is also talking with Mark Frankel, who conducted our 2015 strategic planning sessions, to look at doing a "refresh" session for our new board members and to update our strategic plan. More to come on this topic.

Our next meeting will be Friday, May 11th.
