

A Message from Jessica Sullivan, Board Chair:

The Children's House board of directors ("Board") last met on Friday, May 11, 2018.

This May meeting was spent reflecting on the accomplishments of the current school year and reviewing and approving plans and budgets for the upcoming school year. On a positive note it was reported that our enrollment numbers are up for the next school year, the Art & Music wing is almost complete (pending final inspection) and the 2018 annual gala was a success. A special thanks to Missy and the numerous volunteers for their continued dedication in making the annual gala a fabulous event. However, the fundraising is not quite complete. As we approach the end of the school year and close out our year end financials we'll be making one last final push for parent and family participation in our annual fund. Look for more details to follow.

Finally, the Board approved new board director Jessie Houghton. Jessie is the principal at Central High School. Prior to that she was an elementary principal at Westwoods Elementary and math teacher at West Senior. She is a former TCH parent.

Our next meeting will be Friday, August 3<sup>rd</sup>.
