

## Nadine's Lower Elementary Volunteer Sheet

Name \_\_\_\_\_

Phone number \_\_\_\_\_

Email address \_\_\_\_\_

Here are a few areas in which your volunteering and expertise would be a great help in the classroom throughout the year. Please check the items that you would enjoy doing so that I can contact you as opportunities arise. Please return form by Tuesday, September 14th.

**Driver** for field trips/ going out

Please indicate the # of student passengers your car can hold and any specific days or times that you are available \_\_\_\_\_

\_\_\_\_\_.

**Chart Artist** to color or paint posters (the posters are all outlined, they just need color).

**Material Maker** for the classroom (a well detailed description of what to do will accompany the materials). The task usually involves typing, cutting, pasting ,etc. and can often be done from home.

**Pet Sitter** over breaks

**Shopper** for pet supplies and miscellaneous items

**REMC Runner** to drop-off or pick up book club books. Remc is located close to the old airport, so if you are in that part of town this is the job for you!

**Event helper** to give a hand at special class events such as Pumpkin fun day, Harvest Feast and other upcoming events.

**Sewer** to make or mend small sewn items for the classroom.

Finally, we are gathering information for the children to use for “going out activities“. If you have any skills, talents, hobbies or interests which you would like to share with children please provide information below.
