5) SCHOOL OVERVIEW

SCHOOL PHILOSOPHY AND MISSION:

The Children's House Mission Statement:

*We are a Montessori community dedicated to providing a learning environment
that guides, nurtures and enriches the individual*

The Children's House is a Montessori school. Our philosophy is inspired by the philosophy and educational thoughts of Dr. Maria Montessori. Over one hundred years ago, she created the models for classroom environments including materials, organization and structure.

We believe that every human is born with the desire to learn. It is our intention to create an educational atmosphere that acknowledges and fosters that human

tendency in every child. Within ordered and challenging environments, the child is encouraged to follow their interests and travel along the path of self-construction intellectually, physically, emotionally and socially.

It is our role, then, to observe the unfolding of this natural process of development and encourage and challenge each child to reach their fullest potential. It is our intention to foster not only a high standard of academic excellence but also provide an environment where every individual strives to cultivate their own self worth and reliance, nurture strong interpersonal relationships and respect themselves and the environment around them.

SCHOOL HISTORY

The Suttons Bay Children's House was founded in 1984 by Gretchen Uhlinger, an AMI trained Montessori guide who was looking for a Montessori program for her two young daughters. That first year of operation, the school offered one toddler class for children 18 to 36 months with Colleen Christensen as the guide, one primary class for 3 to 6 year olds led by Gretchen, after school child care, and parenting classes in a renovated farm house in the village of Suttons Bay. In 1976 Marie Scott, a Montessori guide and parent of young children, founded The Montessori Children's Center in Traverse City. It was located in a house on Rose Street and soon after moved to The First Congregational Church on Center Road.

In 1988, The Montessori Children's Center in Traverse City united with The Suttons Bay Children's House under one non-profit corporation and continued to operate in both locations. While the Traverse City program grew, satellite programs were offered at the Unitarian Fellowship on Center Road and at Central Grade School. The Traverse City program moved to a new location on West Royal Drive in 1998. The Suttons Bay program left the farm house and moved to the Royal Drive building in the fall of 2001.

Today the School enrolls more than 200 children on an 8-acre rural campus on North Long Lake Road just west of Traverse City, Michigan. The new campus opened in the fall of 2002 and was architecturally designed to enhance the Montessori philosophy and teaching method. Programs are offered year-round for children between the ages of 3 months and 12 years, infant through 6th grade. Before and after school child care is available to enrolled children.

SCHOOL STRUCTURE AND AFFILIATION

The Children's House is a private, non-profit, non-sectarian school and childcare center, registered with the Michigan Department of Education and licensed by the State of Michigan Department of Human Services Child Care Licensing Division. The Children's House depends upon tuition, gifts and grants for all operations. Title XX payments through The Department of Human Services are accepted for families who qualify.

The Head of School is employed and supported by an elected Board of Directors. The Board's general powers include managing the property and affairs of the Corporation. The entire control of the Corporation and its affairs and property are vested in the Board of Directors. The Children's House teachers have completed AMI or AMS Montessori teacher training from reputable training centers.

The Children's House admits boys and girls aged 3 months to 12 years, of all races, colors, nationalities, and ethnic origins, to all rights, privileges, programs, and activities available to students at the School. The School does not discriminate on the basis of race, color, or national and ethnic origin in administration of its educational policies, admissions policies, scholarships and other school-administered programs.

THE MONTESSORI METHOD

The Children's House Montessori community is a campus where, from the front entrance throughout the hallways, classrooms, offices and outdoor environment, Montessori philosophy is embraced. It is our mission to meet the developmental needs of each individual by preparing an environment that is safe, nurturing, consistent, challenging and inspiring.

Within this campus-wide prepared environment, every child is encouraged to explore their interests to the fullest degree possible. The child is free from the constraints of arbitrary time limitations. He is free to learn without feeling the pressure of completing tasks that have predetermined expectations. He is not limited by the abilities of others. In this prepared environment he is encouraged to grow to his fullest potential and recognized for his own unique qualities and gifts.

The teacher, or guide, carefully observes each child's activity and interest and presents him with new activities and materials for learning. Trust between child and guide is established through the multi-year classroom setting which allows the guide time to understand the child's unique approach to learning. The special relationship between the child and adult in a Montessori classroom is conveyed by the words of a young child: "Help me do it myself."

The result is a classroom community where children understand the importance of their role within the group and learn to utilize the skills of others to solve

problems and find answers. They feel safe, understood, useful, respected and truly gain an appreciation and love for the process of learning.

MONTESSORI HISTORY

Maria Montessori, Italy's first woman physician and one of the greatest educators of the twentieth century, pioneered the work with children that we carry on today at The Children's House. She was born in Chiaravalle, Italy in 1870. Her first association with children began in 1898 with the mentally deficient at the University Psychiatric Clinic in Rome. Through intense study, observations and long days of working with these children, she discovered their problems were more emotional than medical. So, she designed special didactic learning materials to meet their needs and trained teachers to present them in a special way. Montessori's success was proclaimed miraculous. Many of these children went on to pass, or even excel at, conventional state examinations.

In 1904 she turned her attention to "normal" children. She opened her first school, *Casa de Bambini*, (House of Children) on January 6, 1907, in the San Lorenzo slums of Rome. Word of this "new education" began to spread and many more schools were opened in Italy and other countries.

In half a century, her work became known as the *Montessori Method*. In 1929 she founded the Association Montessori Internationale (AMI) to continue her work. During the war years, it was regarded as a movement for world peace. Indeed, she saw the child as the most legitimate hope for a new world. Honorary doctorates, recognition and awards were bestowed on her from countries all over the world. By the time of her death in 1952, she had gained an international reputation as an educator and had been nominated for the Nobel Peace Prize three times.

Montessori fervently believed that children have an inner force that gives them the power and drive to achieve their full potential. When children are given the proper measures of guidance and freedom, this inner force enables them to focus on what they need to know... and they learn with wonder, joy and confidence.

6) PARENT INVOLVEMENT

COMMUNITY EVENTS

Meetings of a social, educational and informative nature are offered to families throughout the school year. A school calendar and regular newsletters list events planned for parents. Parents are always encouraged and welcomed to participate in the life of the school as observers and/or volunteers. Please see section 2 – Calendar Notes – for a description of these various events.

FUNDRAISING and EVENTS

All independent schools rely on fundraising to fulfill budgetary requirements. While tuition typically covers 80-90% of operating costs, it is necessary to raise funds in order to keep tuition costs accessible. It is the expectation of The Children's House, that all families will participate in the Annual Fund drive as well as other fundraising events at the level at which they are able. There are many fundraising opportunities events held throughout each year and many ways in which you can participate:

- Annual Fund drive
- Fall Spaghetti Dinner
- Kids' Art holiday fundraiser
- The Karen Circle
- Holiday greens sale
- Holiday Art Market
- Annual Gala
- Flower sales
- Endowment donations
- Grants

VOLUNTEERS

The Children's House community relies on volunteers for our success. There are many opportunities to be involved and we strongly urge every parent to give of their time throughout the year. From work bees to gala support and everything in between, there are regular posts in the Tuesday Note that describe where there is need.

Parent volunteers are required to have a background clearance through the Michigan State Police and the Michigan Department of Human Services and sign a screening statement regarding past criminal activity. Parents who volunteer more than 4 hours a week on a regular basis must have a physical exam and TB test on file with the school. Parent drivers must sign a statement regarding compliance with vehicle safety and restraint systems requirements, including an agreement to not use a cell phone while transporting children from the school. The school volunteer coordinator provides directions and paperwork for all required screenings.

PARENT EDUCATION

Throughout the year, there are many ways for parents to learn more about TCH and Montessori education. We strongly encourage all parents to participate in these opportunities as they are the best way to strengthen the partnership between parents and the school in creating the best education for the child. Along with bi-annual parent-teacher conferences, there are book discussion groups, parent coffees, speakers, visiting days and more.

OBSERVATION

We welcome and encourage parents to visit their child's classroom. Please read the details below for guidelines regarding observation at each level. Observing is the best way for parents to witness, first hand, the Montessori method in action!

INFANT-TODDLER OBSERVATION

The Infant-Toddler wing includes a one way observation booth where you can see the classroom without your child seeing you. Observing in this designated area offers the best experience for you and the classroom community. Please contact your child's guide with any questions and guidance regarding observations.

PRIMARY AND ELEMENTARY OBSERVATION

We ask that you wait six weeks after the beginning of the school year before coming to observe in the classroom. This allows time for the children to become comfortable in their environments and with the routine of the day. You are always welcome to observe through the one way window located outside the classroom environments. After the initial six weeks of school, we invite you to come into the classroom for your observation if you choose.

It is best (although not required) to call ahead to schedule an observation in the classroom environment so we can assure that there is a place in the observer's chair for you during the desired time.

Students without a year-round tuition agreement may attend with an advanced reservation and will be charged an additional fee. Child care on snow days is available only to students with year-round agreements.

8) TRANSITIONS / CLASSROOM PLACEMENTS

Infant Program

The Infant Program is designed for the developmental needs of children 3 months to 15 months old. Infants entering into this program must be able and willing to be bottle-fed. Guides in this environment will follow the infant's lead in terms of sleep and feeding.

Toddler Program

The Toddler Program welcomes children ages 15 months to 2.9 years old. Children entering this program will participate in activities that promote independence, concentration and sense of accomplishment. For this reason, children must walk independently, feed themselves solid foods, and have given up their morning nap.

Primary Program

The Primary Program is a three year curricular cycle for children 2.9 to 6 years old. Children moving into this program must display impulse control, take verbal direction, and be toilet trained (successful 80% of the time). The emphasis in this classroom centers around independent work, movement, grace and courtesy, healthy living and the introduction to basic reading, writing, cultural studies and mathematics.

Extended Day, the third year of the Primary Cycle, is generally known as Kindergarten in a traditional setting. During this year the child has additional privileges and responsibilities as they are the oldest members of their classroom community. Extended Day is the culminating year of their primary experience.

Elementary Program

The Elementary Program is organized into two 3 year cycles. The first is **Lower-Elementary** which includes 1st – 3rd grade students. **Upper-Elementary** continues with 4th – 6th grade students. These programs are based upon a rigorous, research-based curriculum that centers on mathematics, social studies, science, English Language Arts and Personal Growth and Development. In addition, students have daily and weekly lessons in Physical Education, Visual Arts, Music Arts and Spanish. Kitchen Classroom and Della Terra (gardening and botany) are also experienced.

It is not customary for The Children's House to accept new students into the Elementary program unless they have previously learned in a Montessori environment, transferred from another independent school, or had a sibling or relative attend the school.

9) ADMISSIONS POLICIES and PROCEDURES

The Children's House admits boys and girls ages 3 months to 12 years, of all races, colors, nationalities, and ethnic origins, to all rights, privileges, programs and activities available to students at the School. The School does not discriminate on the basis of race, color or national ethnic origin in administration of its educational policies, admissions policies, tuition assistance and other school-administered programs.

The admission process at The Children's House begins with a tour of the school for prospective parents. During this tour, parents will have a chance to see the entire campus and observe classrooms. This visit is intended to give both parties time to determine if the partnership in education is the right one. Once a family decides to enroll, they must complete an application and return it to the Admissions Office with a \$50.00, non-refundable application fee. Families with children over four years of age must meet with the Head of School prior to being

accepted. Upon acceptance, a tuition agreement will be issued and the student will be placed on a class list.

Classroom placements are based primarily on an equal distribution of gender and age. Families with siblings may have classroom/guide requests. Class placement is based on the discretion of the Head of School.

10) TUITION POLICIES

A tuition agreement between the school and the parents (or responsible adult) is required before a student is admitted to the school. The agreement is signed by both parties and specifies the payment amount, payment schedule, and payment policies.

WITHDRAWALS / DISMISSALS

Please reference your tuition agreement for the school's complete withdrawal/dismissal policy.

BILLING

The student's account is charged based on the tuition agreement payment schedule and any additional monthly charges such as childcare, lunches, charitable donations and special activities. Monthly statements are sent via email at the end of each month. The balance is due no later than the 10th of the following month. Electronic funds transfers will process on the 10th of the month (or the next business day thereafter) for families who elect a Plan 3 payment schedule on their tuition agreement.

ELECTRONIC FUNDS TRANSFER (ETFs)

[EFTs](#) are required for families who elect a Plan 3 payment schedule on the tuition agreement. Month-end billing statements allow families to view the amount that will be charged/debited on the 10th of the following month.

Please note: From time to time, families may elect to participate in the school's fundraising events. With the exception of the annual gala, these donations will also be paid by EFT for Plan 3 families with the amount debit/charged on the 10th of the month after the purchase or pledge.

LATE PAYMENT CHARGES

A late payment charge of \$15.00 per month is assessed when the balance due is greater than \$25.00 and has not been received by the 10th day of the month in which it is due. In the event a tuition payment becomes two months in arrears, the student will not be allowed to continue in the program and collection procedures will begin.

RETURNED CHECKS AND DECLINED CREDIT CARDS

A charge of \$20.00 is assessed for all returned checks or electronic funds transfers because of insufficient funds or expired/changed credit card account numbers. Please be sure to notify the business office when your account number has changed or credit card expiration date has been updated to avoid this type of charge.

LATE PICKUP CHARGES

A fee of \$15.00 is charged for every 15 minutes (or increment thereof) a child is at school beyond closing time (5:30 p.m.).

Questions regarding billing should be directed to the Business Assistant at 929-9325.

TUITION ASSISTANCE

Overview

Tuition assistance is available to families of current and prospective Children's House students. The Children's House has provided tuition assistance to families since 1985. This assistance has helped provide a quality independent education to families who would not otherwise be able to consider such an education for their children. Tuition assistance ensures a diverse and enriched Children's House community.

Criteria and priorities used throughout the award process

1. Continue support for families currently receiving assistance with particular awards for students in their second and third years in-cycle.
2. Award school-year academic programming at Primary and Elementary levels.
3. Provide funds that enable families already enrolled in the school to stay with the school in the event of changing personal finances.
4. Consider all other requests

Award process

The Children's House uses an [online system](#) to facilitate tuition assistance applications. This program is called "FAST – Financial Aid for Student Tuition." It is recommended and supported by ISM – Independent School Management. This online service analyzes financial statements provided by each family and provides need-based financial aid recommendations to the school. The administration makes final decisions about financial awards based on these recommendations.

Specific instructions, deadlines and applications will be available during the re-enrollment period through the school's website via the "Tuition Assistance" link at www.traversechildrenshouse.org.

Tuition assistance award letters are mailed prior to the next school year's enrollment deadline.

Accepting the Award

To accept an award and secure a spot in the class for the following school year, a family must submit the signed award letter, signed enrollment form and payment of the non-refundable enrollment deposit by the deadline indicated on the award letter. Awards that have not been accepted by the deadline will be returned to the tuition assistance fund pool and awarded to other applicants.

WORK COOPERATIVES

Overview

Each year, The Children's House makes available opportunities for adult members of the school's community to work in exchange for a tuition discount. Examples of past work cooperative positions include: front desk, car line assistance and garden maintenance.

Process

A list of work cooperative opportunities and the co-op applications are available during the enrollment process at the www.traversechildrenshouse.org. Availability of the applications and deadlines are coordinated with the tuition assistance program in early spring.

Work cooperatives are awarded based on the skill set of the applicant with some consideration made for financial need.

11) GETTING TO AND FROM SCHOOL

ARRIVAL

We want your child's arrival at school to be pleasant! To that end we have established a drop-off procedure for you to follow. We believe this procedure minimizes the discomfort of separation that occurs now and then. We encourage all parents to utilize the carline. Please consult your child's teacher with any questions.

From 8:20 am- 8:40am daily, staff will be available for "carline". Please drive into the driveway and wait in the carline in front of the designated door to the program that your child attends. (For the first week of school, a sign hanging over each entrance will designate the proper door.) While you wait please take time to get together any items your child is taking to school. When it is your turn, a staff member will open the passenger door(s) and safely escort your child into the

school. Please arrive during the 20 minutes designated for carline.

If your child is an extended day or elementary student, he may exit the car independently and enter the building through the elementary door. You may drive **slowly** in the left lane past the toddler and primary cars to approach the elementary door. Please wait until you have passed the curve in the driveway before you pull into the left lane. Your child should always exit the car on the curb side.

If you must arrive after carline ends please park your car in the lot and walk your child to the door of the classroom. A designated staff member will greet your child there as soon as they are able. Be sure, in all cases, that an adult from your child's classroom knows they have arrived with eye contact or a quick wave.

DISMISSAL AT DAY'S END

Beginning at 3:20 and for the subsequent 20 minutes a staff member will escort your child to your car. Please pull into the carline and stay in line until the staff person directing traffic tells you to move ahead. You may not pull around other cars during this carline unless directed by staff. If you enter from Herkner Road, wait at the turn until directed by staff to pull into the line.

If you are picking your child up at any other time of day, please park in the lot and come into the building or onto the playground. For everyone's safety, do not take your child until you have made contact with a school employee.

ATTENDANCE

A student's respect for school schedules and calendars develops in relation to the family's respect for the same. In response to family events, the school will excuse nine (9) missed or late days for students in extended day primary through upper elementary. Students shall be in the classroom at 8:30 a.m. each day they are in attendance. Students should not depart before the school day ends. On occasion, if an early departure is necessary, please inform your child's teacher ahead of time to minimize disruption of the class upon their leaving.

12) COMMUNICATION BETWEEN HOME AND SCHOOL

OFFICE HOURS

The Children's House front desk is staffed Monday through Friday from 8:00 am-5:30 pm. Hours of administrative staff vary. For specific details of teacher and staff availability, please inquire.

- **Meetings**- Teachers and administrative staff welcome the opportunity to talk with you! Please email or call to schedule a time to meet if you have questions, ideas, thoughts or concerns.

CONTACTING YOUR SCHOOL'S TEACHER

Communication between the school and your family is of utmost importance to us. The teachers will discuss with you the best times and forms of communication throughout the school year. Out of respect for the child, it is our policy to **not** discuss him or her in their presence. If you need to get a message to the teacher regarding your child during class hours, please call the front desk and the receptionist will assist you. All classroom extensions also include voicemail which the teachers check regularly.

13) SCHOOL CLOSINGS

If the Traverse City Area Public Schools (TCAPS) are delayed, The Children's House opens at 9:00 am. If TCAPS is closed, The Children's House opens at 9:00 am for students on a year-round contract or those who have been registered in advance for "snow day child care". There is no drop-in care on snow days. If the Northwestern Michigan College campus is closed, The Children's House is closed.

School closures and delays are posted on [The Children's House web site](#) by 7:00 a.m. including a link to the TCAPS weather announcements. Delays and closures are also announced on most area radio and television stations.

14) CLASSROOM LIFE

BIRTHDAY CELEBRATIONS

We celebrate birthdays with a unique community celebration. The birthday celebration in all of our classrooms helps the children understand their personal connection to the greater life cycle.

Your child's teacher will have [details](#) regarding how birthdays are celebrated and your part in the celebration as well as suggestions of birthday snacks that are festive and nutritious!

In consideration of all the children, please do not deliver holiday cards, party invitations and birthday gifts to other children at school. Additionally, please do not use the school as a pick-up spot for your child's parties as it is uncomfortable for the children who are not invited.

NUTRITION INFORMATION

School provided lunch: Mission Statement. We are devoted to enhancing children's health and well being by providing a nutritious food service program. Our mission is to provide students with an appetizing, nutritious, culturally diverse meal. Because nutrition influences a child's development, health status and potential for learning, we will encourage healthy eating habits through meaningful activity with food in the classrooms.

Nutrition Policy

We offer lunches that meet the Dietary Guidelines for Americans and the Food Guide Pyramid by using the following standards:

1. Include a variety of foods
2. Include adequate foods from the grain, vegetable and fruit groups
3. Include foods low in fat, saturated fat, and cholesterol
4. Limit foods high in sugar content and sodium

5. Omit foods with minimal nutritional value. These foods include carbonated beverages, fruit drinks and aides, candies and chewing gum
6. Monitor student acceptance of meals on an ongoing basis

All school provided lunches ensure a balance between optimal nutrition and student acceptance. We are committed to the use of high-quality, local and organic ingredients whenever possible. The children are provided with a pleasant eating environment to include adequate time and space to eat school meals, positive supervision and role modeling at meal times. Special menus are offered to children enrolled in the infant-toddler program. School provided lunches do not contain nut products.

Lunches packed and sent from home should come to school in a standard lunch box or bag. It should include nutritious food and drink. Please do not send candy, sugary desserts or carbonated beverages or fruit drinks in lunches. Lunches **will not** be refrigerated.

Milk to drink with lunch may be purchased daily for .75.

Nadine's lower elementary classroom is a peanut-free environment. Please refrain from sending any peanut products in your child's lunch or birthday snack if you are in Nadine's class.

For all other students, please clearly and boldly mark the outside of your child's lunchbox if it contains nut products. We appreciate your diligence in this important matter.

INFANT-TODDLER NUTRITION INFORMATION

Children are permitted to eat on demand. Parents of children under 12 months of age are required to provide formula and food for their child. The school makes the following provisions to ensure the health and safety of your child:

- Formula is prepared at the child's home and placed in an assembled bottle unit being brought to the school.
- Formula, milk and perishable foods needing refrigeration are refrigerated.

Formula is not stored longer than 24 hours after opening. Foods are covered and labeled as to the contents, date of opening, and the specific child for whom its use is intended. Foods other than formula are used or discarded within a 36-hour period after opening.

- Each bottle and nipple supplied by a parent is used for a single feeding only and then returned to the parent.
- Formula and milk left in a bottle at the end of a feeding is discarded.

CHILDREN OVER 12 MONTHS OF AGE

The school provides a nutritious snack in the morning and in the afternoon.

CLASS SNACK

The school **does not serve** any foods with peanuts or peanut products. **Please omit them from your snacks.** In some classrooms, parents are asked to provide a class snack. The school will publish a calendar and menu for your guidance.

CLOTHING

Families receive a supply list at the beginning of the year which includes clothing needed for school. Children in primary and elementary programs should have a pair of gym shoes (no black marking soles) to keep at school. All the children spend a portion of each day outdoors. Please send appropriate outdoor clothing to accommodate the weather extremes. All clothing should be clearly labeled with the child's name.

WHAT TO BRING/WHAT TO LEAVE AT HOME

Infant-Toddler through Primary

Children in these classes like to share. We recognize this interest and see it as an opportunity to foster skills important to self-expression. Children are welcome to bring an object to share in their classroom. If your child chooses to do so, please help him/her choose objects that are of interest and benefit to the life of the group. Natural specimens, something from another culture, something the child has made, or an interesting book are popular items. Toys, money, candy, gum, cosmetics and similar items are not appropriate. Please communicate with your child's teacher about the appropriateness of an object if it is questionable before bringing it to school.

Elementary

Older children are more capable of planning their activities, including "show and tell." At our class meetings, we hear from children who have signed up to share something. As in the pre-school classrooms, we ask children to leave toys, money, cosmetics, or similar items at home. We also ask them to get permission from parents before bringing valuable items to share. Contact the teachers with any questions.

HOLIDAYS, CELEBRATIONS, AND TRADITIONS

Celebrations and traditions are integral to the life of our Montessori school community. We believe that through celebration, we gain opportunities for community building, for honoring rites of passage, and for recognizing the beginnings and endings of our human experiences.

To enhance the cultural aspect of our curriculum, we make an effort to introduce the children to a variety of holiday traditions from many different ethnic and religious groups. Families are invited and encouraged to help us by sharing stories, traditions and activities from cultures throughout the world. We respect the diversity of religious holidays that families celebrate in their homes. We

approach those holidays from a seasonal, factual and historical perspective and often enjoy a short celebration of food, song and artwork before related school vacations.

STUDENT CONDUCT

The Children's House aims:

- to balance freedom and responsibilities of the individual with the need for cooperation, order and goodwill within the group;
- to provide an environment where the child will experience encouragement, affirmation and community;
- to ensure the physical and psychological safety of every student;
- to enable each student to develop a high standard of moral integrity gained through growth in self-discipline;
- to aid the child in their process of developing into responsible adults;
- to maintain a high standard for student behavior that reflects positively on self, family, school and community;
- to nurture each student with respect and fairness.

The Children's House expects each student:

- to treat others with dignity and respect;
- to treat him/herself with the same respect;
- to respect both the work and property of others, and to bring only necessary materials to school;
- to have consistent attendance and punctual arrival.

In the event that a student fails to respect the expectations above, the following notes describe the usual approach and procedures for working with the student. The school reserves the right to modify these procedures as it sees fit:

- In the event of **minor misbehavior**, the student and teacher discuss and work cooperatively to resolve the problem. At times, an individual's minor misbehavior may be considered by the classroom community because of its impact on the life of the class.
- **Chronic misbehavior** is reported and discussed with parents and the Head of School where strategies to aid the child in correcting the behavior are agreed upon.
- **Major misbehavior**, especially that involving injurious behavior, is further discussed with the Head of School. The head, parents, teacher and, where appropriate, the student, meet to resolve the issue

In the event of major or chronic misbehavior, a student may be excluded from school, suspended, or expelled.

The school expects full parental cooperation in all aspects of the student's life at The Children's House. All rules apply before, during and after school, and on all school outings.

Major Misbehavior

The school considers the following to be major misbehavior:

- Interference with the rights of others, including physical abuse (such as punching, biting, kicking, or hitting), verbal abuse (such as teasing, taunts, threats or intimidation), and bullying (whether by physical aggression, social alienation, or verbal aggression and intimidation);
- damage to, abuse of, or stealing any school or personal property;
- use of obscene, profane, suggestive, or intimidating written or verbal language;
- repeated disruptive or uncooperative behavior.

The school is committed to working together with the student and the family on issues of conduct. At the same time, The Children's House reserves the right to dismiss any student at any time if, in its sole judgment, the student's continued presence at the school is detrimental to themselves, to others or to the community as a whole.

The school DOES NOT engage in corporal punishment of any kind.

FIELD TRIPS

Students enrolled in extended day through elementary experience a variety of field trips throughout the year. They are transported in private cars driven by parent volunteers or on a school bus. Students less than 9 years of age, less than 40 pounds, and less than 4 feet 9 inches must ride in a manufactured certified booster seat when riding in private cars. Parent drivers must sign a statement regarding compliance with vehicle safety and restraint systems requirements, including an agreement to not use a cell phone while transporting children from the school. Volunteer drivers must comply with the back ground check and additional requirements described in the volunteer section of this handbook.

The teachers plan and participate in the field trips. Permission forms are signed in the fall to cover all trips for the year. Notes describing the details of the trip are sent to parents approximately 2 weeks in advance.

Extended Day Trips

These field trips occur monthly and include extended day students from all four classes.

Elementary Camping Trips

Lower and upper elementary students participate in overnight camping trips in the fall and spring. Details are provided in advance to parents about the trips.

Swimming Lessons

Lower elementary students take swimming lessons each year at the Traverse

City Civic Center pool. They are transported by school bus and are accompanied by school employees. The lessons usually last 10 weeks.

Fees

Most field trips, camping trips and lessons are covered by the student activity fee charged on the tuition agreement.

(There is no refund or credit for illness).

ILLNESS POLICY

(developed in conjunction with Dr. Rebecca Hagerty)

The symptoms which indicate that a child should stay home and/or receive medical treatment include any of the following:

- ✓ NOSE DRAINAGE – until thick yellow or green discharge disappears (clear drainage is OK)
- ✓ DIARRHEA – more than one episode in a two-hour period
- ✓ VOMITING for any reason
- ✓ RASH - undiagnosed
- ✓ SCABIES AND LICE
- ✓ ANY COMMUNICABLE DISEASE (pink eye, strep throat, chickenpox..)

If a child is ill, as judged by a staff member in charge, a parent or parent representative will be contacted and asked to come for the child immediately. The child will be isolated from other children until a parent arrives.

WHEN MAY A CHILD RETURN TO SCHOOL?

- ✓ When a fever is absent for 24 hours
- ✓ When the child has had antibiotics (for appropriate conditions determined by a physician) for 24 hours or more

ALLERGIES AND HEALTH CONCERNS

Inform your child's teacher of any special health problems such as allergies or dietary restrictions. You will be asked to specify the condition and treatment in writing on the form provided.

MEDICATIONS

We administer prescription medicines or non-prescription medicines only when accompanied by written permission from you. A [form](#) is provided to note specific instructions. Our staff cannot administer medicine at their own discretion or as *needed*. Medicine must come to the school in its original container with a label. Please do not send it in your child's lunch box, but hand it directly to the adult who greets your car. Medication is stored in the administrative office and administered from that location by school personnel. Students may not keep medication in their backpacks or cubbies.

MEDICAL EMERGENCIES

In cases of medical emergency, the staff will call 911 and the child will be taken to the medical facility determined by the 911 staff. Emergency treatment forms signed by the parents will be taken as well. The parents will be notified and directed to the medical facility where the child is taken.

PROVISIONS FOR NAP AND REST

It is our intent to provide a rest/nap for any children enrolled in the infant through primary classes past noon on any given day. We also acknowledge that many of you have told us that your child no longer requires a nap. The following guidelines specify our procedures for nap.

Children under 12 months of age are permitted to sleep on demand. They sleep in cribs. The toddler children ***nap*** from approximately 12:00 – 2:30. The toddler staff supervises nap and all toddlers staying past lunch will nap at this time. Additionally, children under the age of three are offered opportunities to rest as needed. The room is darkened and children nap on small cots or mats with sheets provided by us. Children are welcome to bring their own blankets although extras are available at school. Cots and mats are sanitized after use, sheets and school blankets are laundered at school after use.

Primary children who nap do so in the primary nap room. The same nap guidelines described for toddlers apply to these children as well.

First or second year primary children who stay in the afternoon and do not nap will be cared for in the primary wing in their home classroom. During the afternoon session, they will have an opportunity for quiet rest time followed by organized activities and small groups.

Extended day children are offered a short quiet time after the lunch hour, usually spent listening to a story, poetry, or soothing music.

Please talk with your child's teacher about your child's nap or rest needs.

SAFETY DRILLS

Fire drills

A minimum of six school-wide drills are conducted throughout the year. Each classroom practices the drill on its own before the first school wide drill in the fall. The drill is initiated by a fire alarm which can be heard throughout the entire building. Children exit directly out their classroom doors and proceed to the soccer field. The school alarm automatically notifies an alarm monitor which reports to the Traverse City fire department.

Tornado drills

Each classroom reviews procedures semi-annually for protection during tornado threats. Several tornado shelters are designated throughout the building and are posted on the wall in each classroom. A weather alert monitor is on stand-by in the office at all times.

Crisis management plan and lock down drills

A written crisis management plan outlines the school's procedures in the event of various situations that could potentially threaten the building or the students and employees. The plan is written in conjunction with the Department of Homeland Security, Grand Traverse Department of Emergency Services and Traverse City Area Public Schools. Parents may review a copy of the plan upon request.

Lock down drills are practiced twice a year with representatives from Homeland Security and Grand Traverse law enforcement. During the drill, the staff and students practice locking the entire building and classrooms and keeping out of sight. The drill is mandated by the State Governor.
