

## Parent/Teacher Conferences- Things to Consider- Primary and Elementary

Please review the topics below prior to your upcoming parent/teacher conference. If you would like, you may complete the form and bring it to your conference to use as a guide for the discussion with your child's teacher.

What does your child tell you about school?

What are your goals for your child?

What do you feel are your child's greatest strengths?

Does your child have any areas that you feel require special attention?

Do you have any compliments or concerns for your child in any of the following areas?

Physical Development?

Social Development?

Emotional Development?

Academic Development?
