

STUDENT SUPPLY LIST 2012-2013

Welcome! Please bring the following items to school on your first day (even if it's just a visiting day). **Please contact your child's teacher if you have any questions about supplies.**

ALL STUDENTS

- Completed Child Information Card. New students must have one on file on the first day. Parents of returning children should return updated forms to the reception desk on the first day of school.
- Health Appraisal form completed by a physician annually for children under 30 months and every 2 years for children over 30 months who are not yet in extended day.
- Statement of Good Health completed annually by the parent for children in the Extended Day and Elementary Programs.
- Immunization record
- Hat and long sleeve shirt for sun protection while outdoors.

INFANTS

- Diapers as needed, we can store larger quantities and let you know when the diapers run low. Diaper cream as needed. The school provides *Kirkland* brand (unscented) wet wipes.
- One or two complete changes of clothing, a jacket/sweater/sweatshirt as needed, a sunhat and foot covering/shoes for outdoors.
- The state regulations are very specific about bottles/milk being sent to school. All bottles must be prepared at home in a ready-to-feed manner and labeled with your child's full name. Breast milk can be stored in our classroom freezer. Breast milk bottles prepared at home must come ready-to-feed and be labeled with your child's full name and also bearing the date of collection.

TODDLERS

- Diapers as needed. We use *Kirkland* brand (unscented) wet wipes. Please send your own wipes (labeled packages) if your child is sensitive to this brand.
- One pair of shoes with good tread, a waterproof bottom, and easy for the child to put on and take off. No "light-up shoes" please.
- One complete change of clothes including socks and underclothing. Place clothing in a one gallon size labeled zip-loc bag. (Wet clothes will be sent home in plastics bags to be washed.)

PRIMARY STUDENTS

Athletic Shoes for Physical Education By Steve Maas

Athletic shoes with "non-marking soles" must be worn in PE. Shoes with non-marking soles are common and the norm. It is rare to find an athletic shoe that marks the floor. Athletic shoes must be worn in PE for safety and health reasons. Improper shoes can cause shin splints, injury to the students and others if it comes off while kicking or running. Athletic shoes are more shock absorbing and thus protect the knees, hips and ankles of the child. The shoe must be secured by laces, Velcro straps, or elastic so that the shoe does not fall off during active play. Mary Jane style shoes or slip-on loafer style shoes do not provide support, traction or protection to feet and ankles. When considering a purchase, please consider the following issues:

- Would you run in this shoe? (The activity level in a PE class is similar to running 1.5 miles)
- Does the shoe offer proper shock absorption?
- Does the shoe fasten securely to their feet?
- Does the shoe motivate the child to be an active participant in PE class?
