Dear Families, STEVEN AYLA

Willow Classroom is doing a project for Ruby Bridges walk to School Day. We want to make the world a better place by helping animals. We want to raise money for the Humane Society by holding a bake sale on November 14, 2023. We would like it if you would bake cookies, brownies, pie, bread, donuts, and bring cans of sparkling water. Please drop it off at carline on November 13th.

Willow Classroom I thank you for joining us.
