## About the Program

Drama Develops Kids! Enthusiastic students who learn to speak out clearly and relate confidently with others will have an inside track to lifetime success. Our specialty is using a wide range of unique drama activities to focus the bold, outspoken child and to draw out the quiet child or the inarticulate child and help them reach into themselves to discover their full potential.

Drama Kids has no auditions and every student is a star. We are committed to creating a fun atmosphere for our students to practice a wide set of skills and shine. Fall Term culminates in a Parent Presentation showcasing skills developed during the class. Spring Term offers experience of performing a short, original play.

### Fall Term

Our classes include a variety of stimulating dramatic lessons perfectly suited for most elementary school children. Students receive individual instruction customized for their own particular requirements and abilities.

Students in our program participate in a wide range of creative activities including speech, dramatic movement, improvisation, snippets and scene starters. Fall term includes a “Bring Your Mama to Drama” day and ends with a Parent Presentation. Students are encouraged, but not required, to participate in both Fall and Spring Terms.
