## What is more fun than balloons and a bigger crowd-pleaser than a clown? Musical birthday parties with Miss Christy!

Whether your child enjoys being silly and making up verses to songs, dancing freely to all kinds of music or just drumming along on pots and pans, a **music-themed party** is sure to be a hit! "Miss Christy" will visit your home or venue and bring her keyboard, guitar, egg shakers, scarves, play along instruments and a parachute if space permits! Watch your child light up as we sing his/her name in the special Hello birthday song at the beginning of the show. We will then follow with 12-14 familiar songs that make it easy and fun for everyone to join in and participate—even the adults! She combines finger plays, songs and chants with small to large movement activities, including a free dance, and a play-along with a big basket of instruments for one huge jam-session at the end! In all, the show lasts about 45 minutes and concludes with a Goodbye Song, stamps, hugs and a special gift for the birthday child! Contact Miss Christy for availability or to book an event!
