

## **Fires Burning**

Fire's burning, fire's burning  
Draw nearer, draw nearer  
In the gloaming, in the gloaming  
Come sing and be merry

## **Jingle Bells**

(Verse 1)

Dashing through the snow  
In a one-horse open sleigh  
O'er the fields we go  
Laughing all the way  
Bells on bobtails ring  
Making spirits bright  
What fun it is to ride and sing  
A sleighing song tonight

(Chorus)

Oh! Jingle bells, jingle bells  
Jingle all the way  
Oh, what fun it is to ride  
In a one-horse open sleigh, hey  
Jingle bells, jingle bells  
Jingle all the way  
Oh, what fun it is to ride  
In a one-horse open sleigh

(Verse 2)

A day or two ago  
I thought I'd take a ride  
And soon, Miss Fanny Bright  
Was seated by my side  
The horse was lean and lank  
Misfortune seemed his lot  
He got into a drifted bank  
And then we got upsot

(Chorus)

Jingle bells, jingle bells  
Jingle all the way  
Oh, what fun it is to ride  
In a one-horse open sleigh, hey

Jingle bells, jingle bells  
Jingle all the way  
Oh, what fun it is to ride  
In a one-horse open sleigh

(Verse 3)

Now the ground is white  
Go it while you're young  
Take the girls tonight  
And sing this sleighing song  
Just get a bobtailed bay  
Two forty as his speed  
Hitch him to an open sleigh  
And crack, you'll take the lead

(Chorus)

Jingle bells, jingle bells  
Jingle all the way  
Oh, what fun it is to ride  
In a one-horse open sleigh, hey  
Jingle bells, jingle bells  
Jingle all the way  
Oh, what fun it is to ride  
In a one-horse open sleigh

### **Frosty the Snowman**

Frosty the snowman was a jolly happy soul  
With corn cob pipe and a button nose  
And two eyes made out of coal

Frosty the snowman is a fairy tale they say  
He was made of snow  
But the children know how he came to life one day

There must have been some magic in  
That old silk cap they found  
For when they placed it on his head  
He began to dance around

Frosty the snowman was alive as he could be  
And the children say he could laugh and play  
Just the same as you and me

Frosty the snowman knew the snow was hot that day  
So he said lets run and have some fun  
Now before I melt away

Down to the village with a broom stick in his hand  
Running here and there all around the square  
Saying catch me if you can

He led them down the streets of town  
Right to the traffic cop  
And he only paused a moment when  
He heard him holler stop

Frosty the snowman had to hurry on this way  
But he waved goodbye saying don't you cry  
I'll be back again some day

### **The Continent Song (Hopscotch Kids)**

The world is split up into continents, there are seven in all  
And if you get the gist, we're gonna make a list from biggest to small:

They are: Asia, Africa, North and South America  
Antarctica, Europe, and finally Australia  
Asia, Africa, North and South America  
Antarctica, Europe, and finally Australia

Hey! My name is Asia,  
And more than half of the world lives here, but, whatever

And I am Africa, with desert for miles  
And my Nile is the longest river

North America! Start down in Panama,  
Wide open spaces, all the way to Canada

I'm South America with animals galore,  
Where the rainforest grows 'cause the rain really pours

I'm Antarctica, and I'm totally ice

And I'm Europe. You're welcome...  
For the pasta, pizza, waffles, and fries

I am Australia, some call me Oceania,  
I got a lot of islands, too many to explain to ya

We are Asia, Africa, North and South America  
Antarctica, Europe, and finally Australia
